Zanzibar – A secluded island in the warm waters of the Indian Ocean, off the coast of Tanzania. The archipelago beckons with its luminous seas, powdery beaches, traditional dhows and vivid tales of spice merchants, sultans and Persian palaces.

In a lush palm tree forest hideaway fringed by an immaculate beach is The Residence Zanzibar, a luxurious villa resort that offers an exclusive, bespoke guest experience, which combines the best of local culture and international luxury.

'Karibu': A Swahili welcome

With smiles as warm as the sun, a fleet of butlers at The Residence Zanzibar extends their greetings to one and all. Discerning, friendly staff are always there when they are needed and discreetly waiting otherwise. Elegant and welcoming and with an interesting story to share – just like the island itself.

### THE SPA

Set in beautifully landscaped gardens, The Spa offers exquisite, specifically tailored treatments in six private villas.

With his gift for healing, French therapist and wellness master Jean Marc Weill put together a suite of massages using carefully crafted mixtures of essential oils, techniques and movements that leave a deep, lingering sense of well being.

For beauty treatments, The Spa turned to luxury French cosmetic brand, Carita. Their artisanal approach embodies the precise and blissful nature of their treatments and products that pamper you from top to toe.

A melting pot of colours and tastes

A dash of turmeric; a fistful of fresh coriander; some freshly grated coconut; and this morning's catch of the sea. The many flavours and colours of local food make their way from the market to the kitchen of The Dining Room. Sit back and let yourself enjoy a culinary journey.

A family adventure

There's something special for everyone. Historic Stone Town for culture connoisseurs; and for nature lovers the rare Red Colobus monkeys of Jozani Forest Reserve, giant 100-year old Aldabra tortoises of Prison Island and aromatic spice plantations.

Treasures for the whole family to explore and discover together.
